

# Finish the fight against breast cancer.

## Making Strides Against Breast Cancer of Houston

**Saturday, May 7th, 2016**

### WHAT:

The American Cancer Society Making Strides Against Breast Cancer walk is a powerful event to raise awareness and funds to end breast cancer. Last year in Houston, the noncompetitive 3-mile walk welcomed more than 3,600 participants and raised more than \$530,000.

Making Strides walks are the largest network of breast cancer awareness events in the nation, uniting nearly 300 communities to finish the fight.

### WHEN:

Saturday, May 7th, 2016  
Registration: 7:30 a.m.  
Program: 8:15 a.m.  
Walk Start: 9:00 a.m.

### WHERE:

Discovery Green  
1500 McKinney Street  
Houston, TX 77010

### WHO:

Making Strides Against Breast Cancer events bring together people who want to make a difference in the fight against breast cancer. People walk as individuals or on teams with family, friends, and coworkers. Event volunteers help with registration, logistics, and participant support.

### WHY:

Making Strides events celebrate and honor breast cancer survivors and caregivers; educate the public about prevention and detection to reduce risk of the disease; and raise funds to help end breast cancer. Last year, nearly 1.2 million Making Strides walkers turned awareness into action by helping to raise more than \$60 million for the American Cancer Society to help save lives from breast cancer.

### T-SHIRTS:

Information on Team T-shirts will be provided at a later date, but you can purchase an event shirt on the day of the walk in the merchandise tent.

### YOUR DOLLARS AT WORK:

Thanks to Making Strides supporters, the American Cancer Society is able to fund groundbreaking breast cancer research to better understand, prevent, find, and treat the disease; provide comprehensive information and services to patients, survivors, and caregivers; and ensure access to mammograms for women who need them.

We **save lives** and create more birthdays  
by helping you stay well, helping you get well,  
by finding cures, and by fighting back.
